Our Mission

Millstone River 5th graders show what they learned in D.A.N.C.E., an artist-in-residency provided by DanceVision, and funded by WW-P Education Foundation.

The West Windsor-Plainsboro Education Foundation is a private, non-profit organization that fosters educational excellence, creativity, and achievement in the West Windsor-Plainsboro Regional Schools by:

- providing grants for programs,
- generating corporate and private financial support, and
- developing community partnerships to benefit students, teachers, and staff in our schools.

Founded in 1995, we have brought over 260 programs to the West Windsor-Plainsboro Regional Schools. Over \$200,000 in grants have been awarded to support teacher and student-generated ideas that enhance classroom learning and promote excellence in education.

Making a Difference Program Highlights

- Sponsored Family Science Day with Liberty Science Center. Over 600 middle school students and their families attended. Promoted STEM and STEM careers. Sponsored by Bristol-Myers Squibb, Integra Fdn, & ETS.
- Funded Summer Math Enrichment Program for students who needed extra assistance in math. Over 250 students participated. Co-sponsored with African-American Parent Support Group.
- Sponsor of the WW-P FIRST Robotics Team 1923, MidKnight Inventors—2009 NJ Regional Champions, and placed in World Championships in Atlanta.
- Funded "Developmental Guidance Lessons" for career exploration for 1,600 middle school students at both Community & Grover MS.
- Sponsor Alumni Online Communities for both WW-P High School North & High School South.
- D.A.N.C.E., an Artist-In-Residency program, at Millstone River School.
- STEM initiatives including Smarter SMARTBoard Use (Village), Human Skeleton Model (Grover), Junior FIRST Lego League (Dutch Neck), Weighing In on Chemistry (HS North), Grid-Tied Solar Renewable Energy (HS South), and Trout in the Classroom (Millstone River).
- Reading & Literacy—Books, Bites & Bantor (Community MS), Fostering Fluency (Town Center), Summer Book Trading Club (Wicoff) and Get Real with Reading (Maurice Hawk).

Friends of the Foundation

We are inviting you to become a Friend of the Foundation so that we can continue to fund cutting-edge and creative learning experiences for students of all ages. We fund competitive grants to teachers and students in order to foster educational excellence, creativity, and achievement in our classrooms.

These include science and math education, language arts, technology, exceptionalty, early childhood development, arts, career planning, and services for children with special needs.

We provide supplemental dollars for programs that are generally not covered by the school budget.

These programs would not be possible without the financial support of the WW-P Education Foundation.
